## FEDERATION EVENTS

### Annual General Meeting (AGM)

Join members of Calgary's community associations from across the city to learn how you can benefit from our wide range of membership offerings, including our current programs and services as well as upcoming workshops and events. Additionally, we will provide updates on important issues and trends affecting our network and elect new members to our board of directors. The annual Partners in Planning (PIP) graduate certificates and the annual Toole Peet Community Hero Award will also be presented.

**Date:** TBD- early June 2020

**Time:** TBD

**Location:** TBD

## Networking

### Monday Matters

We will be extending our office hours on the first Monday of every month from September to June so that you can stop by in the evening to chat with us about any questions or concerns you may have, if you need information and resources, or if you'd just like to come say hello and meet our team! Can't make it in person? Give us a call. We'll be here every first Monday (unless it's a long weekend), so come by and say hello!

## ENGAGEMENT

### Engaging Communities

#### Creating a Plan for Engagement

Do your engagement efforts fail to attract volunteers? Are you scrambling to convert attendees to engaged community members? Develop a community engagement plan to strategically and intentionally increase engagement that strengthens your organization.

**Date:** Thursday, September 26, 2019

**Location:** Federation of Calgary Communities (110, 720 – 28 Street NE)

**Time:** 7:00 pm – 9:00 pm

## Membership Development

Struggling with building memberships? Join us and learn how to approach membership as a relationship instead of a transaction. We will discuss how you can shift your membership sales approach to focus on building excitement around belonging and how people can support their community.

**Date:** Tuesday, November 19, 2019

**Location:** Federation of Calgary Communities (110, 720 – 28 Street NE)

**Time:** 7:00 pm – 9:00 pm

## Engaging Vulnerable Populations

Learn more about how we can support vulnerable Calgarians experiencing homelessness, poverty, mental health and addiction issues. Gain a better understanding in this informative workshop from local experts and discuss with your peers about how our communities can engage and better connect to resources.

**Date:** Thursday, February 20, 2020

**Location:** Federation of Calgary Communities (110, 720 – 28 Street NE)

**Time:** 7:00 pm – 9:00 pm

## Celebrating Communities

### Communications Tools

You have a really important message to communicate, but which communications tools should you use? This beginner level workshop discusses why certain communications tools are used and the benefits of them. Participants will leave with an understanding of face-to-face communications, websites, social media, and newsletters. Not every communications tool works well for every organization; participants will leave with the confidence to decide which tools will work best for their organization.

**Date:** Thursday, November 28, 2019

**Location:** Federation of Calgary Communities (110, 720 – 28 Street NE)

**Time:** 7:00 pm – 9:00 pm

### Navigating a Mini Communications Plan

Driving around a city you don't know without a map is like doing communications work without a communications plan. Join us as we guide you through what a mini communications plan is, why it is used, and the elements in it! Designed for beginners, you'll leave with a "road map" on how to successfully navigate a mini communications plan.

**Date:** Thursday, April 30, 2020

**Location:** Federation of Calgary Communities (110, 720 – 28 Street NE)

**Time:** 7:00 pm – 9:00 pm

## Financial Services

### Demystifying Financial Statements

Do you ever sit at a board meeting hoping the treasurer's report is short and sweet? Not because you aren't interested in the financial situation, but because you don't understand it? In this workshop, we will demystify the elements of audited financial statements, while diving into the two most important statements a board should be discussing monthly.

**Dates:** Wednesday, October 23, 2019

**Location:** Federation of Calgary Communities (110, 720 – 28 Street NE)

**Time:** 7:00 pm - 9:00 pm

### Bringing your Budget to Life with IntegralOrg

Are you looking to improve your budgeting knowledge and skills? Learn how to get staff and board members of non-profits on the same page as they budget for organizational success. We will discuss budget planning, monitoring and taking action, basic terminology, different budget categories, best practices and how to budget for pitfalls, managing your reserve funds and resources available to assist you!

**Date:** Wednesday, November 13, 2019

**Location:** North Glenmore Park Community Association  
(2231 Longridge Drive SW)

**Time:** 10:00 am - 12:00 pm

**Presented by:** IntegralOrg

### I'm the New Treasurer: Now What?

Are you the treasurer and/or bookkeeper for your organization, but have little accounting experience? This workshop is designed to help get you started, so that you can begin your new journey. Topics will include: roles and responsibilities; basic accounting terms and systems; basic recording, and; how to report your financials.

**Date:** Thursday, November 21, 2019

**Location:** Federation of Calgary Communities (110, 720 – 28 Street NE)

**Time:** 7:00 pm - 9:00 pm

## Grant Accounting: Accounting for Restricted Cash

You are an accountant, or at least have a lot of accounting experience, but have limited experience with the different kinds of funds received by non-profits. You are competent in your understanding of debits and credits, but would like to understand how to handle the grants and other restricted funds. Join us as we explore key elements of properly recording your restricted cash.

**Date:** Wednesday, December 4, 2019

**Location:** Federation of Calgary Communities (110, 720 – 28 Street NE)

**Time:** 7:00 pm - 9:00 pm

## Internal Controls from Three Perspectives

Do you ever wonder if your organization uses its assets efficiently, if all the funds are accounted for, or if you are vulnerable to theft or fraud? This workshop - from a financial institution, insurance and auditor perspective - is designed for board members who are wanting to safeguard their organization and maximize the use of their resources. Each presenter will offer stories and practical controls that should be put in place to ensure your organization thrives!

**Date:** Tuesday, January 21, 2020

**Location:** Temple Community Association (167 Templegreen Rd NE)

**Time:** 7:00 pm - 9:00 pm

**Presented by:** Servus Credit Union, Toole Peet Insurance, and the Federation of Calgary Communities.

## GST for Non-Profits

GST is a difficult concept to understand in the non-profit world. A GST expert from the Canada Revenue Agency will walk us through the ins and outs. They will also help us understand the rules. Learn about why some of your programs are tax exempt, how input tax credits work, and when and how to access rebates for “public service bodies.”

**Date:** Thursday, March 10, 2020

**Location:** Federation of Calgary Communities (110, 720 – 28 Street NE)

**Time:** 7:00 pm - 9:00 pm

**Presented by:** Canada Revenue Agency and hosted by an auditor from the Federation

## GST for Charities

This workshop is for charities (organizations that issue “charitable tax receipts”). Did you know that charities can claim back 50% of GST paid? They also don't have to register for GST until they have \$250,000 in taxable revenue. A

representative from the Canada Revenue Agency will help to clarify your GST questions.

**Date:** Tuesday, April 21, 2020

**Location:** Federation of Calgary Communities (110, 720 – 28 Street NE)

**Time:** 7:00 pm - 9:00 pm

**Presented by:** Canada Revenue Agency and hosted by an auditor from the Federation

## Compliance for Non-Profits

Did you know that non-profits need to file taxes annually to remain a society? In fact, non-profits have numerous filings and legal requirements from regulatory bodies. As an individual board member, you can be held personally financially responsible, despite having liability insurance. Join us for a “big picture” look at financial compliance and timelines that must be met. You will learn about the various regulatory bodies, the timelines, the financial consequences, and who is responsible. In addition, we will address important differences in compliances for societies versus registered charities.

**Date:** Wednesday, May 13, 2020

**Location:** Federation of Calgary Communities (110, 720 – 28 Street NE)

**Time:** 7:00 pm - 9:00 pm

# Organization Development

## Board Basics 101

Did you recently join a board and are now wondering what's next? Join us to increase your effectiveness as a new board member. You will develop your knowledge on board roles and responsibilities, identify whether your organization is a charity or non-profit and what this means for your operations and compliance, plan and implement dynamic board meetings, as well as strategize approaches to address common challenges that boards face.

**Date:** Saturday, October 26, 2019

**Location:** Federation of Calgary Communities (110, 720 – 28 Street NE)

**Time:** 9:00 am - 12:00 pm

## Volunteer Recruitment

Is your organization struggling with finding new volunteers? Join us to discuss volunteer recruitment tools, strategize solutions to challenges and discuss different ways your organization can structure how this work is done.

Participants will take away with them an inspiring and achievable action plan and be provided with follow-up support.

**Date:** Thursday, November 7, 2019

**Location:** Alexandra Centre Society (922 9 Ave SE)

**Time:** 6:00 pm - 9:30 pm

## Programming 101

Are you looking for new program ideas and best practices on how to run programs? Join the City of Calgary, Calgary Neighbourhoods Team and the Federation to explore and share community programming ideas for organizations with or without facilities.

**Time:** 10:00 am - 12:00 pm

**Presented by:** Toole Peet Insurance and the Federation of Calgary Communities.

## Capital Projects Fireside Chat

With limited funding options available for community organizations, what can we do when we need funds outside the regular provincial or municipal grants? Join us for an in-depth look at the work the Chinook Park, Kelvin Grove, Eagle Ridge (CKE) Community Association has done to think outside the box, generate funds through creative initiatives, and rally community support for a capital campaign to create their brand-new facility.

**Date:** Wednesday, April 8, 2020

**Location:** CKE Community Association (1015 73 Avenue SW)

**Time:** 10:00 am - 12:00 pm

## Occupational Health & Safety with IntegralOrg

Occupational Health and Safety legislation in Alberta was recently overhauled to bring it up to speed with the rest of Canada, setting new standards that all employers – including those in the non-profit sector – must comply with. Compliance can often feel overwhelming, but IntegralOrg is here to help get you on your way to OHS compliance and a safer workplace. Join us for this workshop which provides an overview of the recent changes, an intro to our online toolkit and help with getting your organization on the right track for all your processes and policies surrounding OHS.

**Date:** Wednesday, May 20, 2020

**Location:** Triwood Community Association (2244 Chicoutimi Drive NW)

**Time:** 10:00 am - 12:00 pm

**Presented by:** IntegralOrg

## Grant Writing

Learn about grant writing tips and tools, the importance of budgets, and the how-to's of project and program evaluation. You'll get in-depth practical experience in developing a grant writing proposal, an understanding of grant award responsibilities, and the importance of a clear budget.

**Date:** Wednesday, May 27, 2020

**Location:** Alexandra Centre Society (922 9 Avenue SE)

**Time:** 7:00 pm - 9:00 pm

# URBAN PLANNING

## Urban Planning Workshops

### Citizens+Students Planning Workshop

Since 2013 the School of Architecture, Planning and Landscape (SAPL) Master of Planning Program at the University of Calgary and the Federation of Calgary Communities have worked together to support community associations (CAs) in their decision-making process around land use and development issues. Join us to learn more about your CAs potential involvement in the project. Join the discussion of how Calgary's communities can change and develop while maintaining their character and quality, and the steps necessary for CAs to be part of this project.

**Time:** 9:00am to noon

## Partners in Planning (PIP)

The Federation is committed to providing planning information and education to communities to facilitate public participation in the planning process. The Partners in Planning Program (PIP) is an award-winning certificate program offered by the Federation of Calgary Communities in partnership with The City of Calgary. The program is geared towards helping community association planning volunteers and the public to develop skills for effective participation in the planning process. Participants who complete all program requirements receive a PIP completion certificate, which is signed by the Mayor, the President of the Federation, and the General Manager of Planning & Development. The next PIP course will be offered in January 2020.

### Each Course:

- PIP courses are offered on Saturday mornings
- You must register online at calgarycommunities.com
- There is always time for questions and networking

### How it Works:

- A certificate is earned by completing four courses (three core and one elective)
- You may take any course as much as you like
- This is an ongoing program so there is no time limit to complete the requirements
- There are no pre-requisites and you may start with any course

### PIP: Understanding Planning & Design (Core Course)

Discover how policies that guide development in Calgary are created and applied. In this course learn more about these foundational documents such as the Municipal Development Plan (MDP), the Guidebook for Great Communities (formerly Developed Areas Guidebook) and local area plans. Discover how these policies and others are applied to applications as they move through the approvals process.
