INDEPENDENT AUDITOR'S REPORT

To the Directors of The Federation of Calgary Communities Society

Opinion

We have audited the financial statements of The Federation of Calgary Communities Society (the "Society"), which comprise the statement of financial position as at December 31, 2018, and the statements of operations, change in net assets, and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Society as at December 31, 2018, and its financial performance and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Society in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our ethical responsibilities in accordance with those requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Matter

The financial statements of the Federation of Calgary Communities Society for the year ended December 31, 2017, were audited by the firm of Calvista LLP, whose practice now operates under BDO Canada LLP, and who expressed an unmodified opinion on those statements on May 28, 2018.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Society's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Society or cease operations, or has no realistic alternative but to do so.

Independent Auditor's Report to the Directors of The Federation of Calgary Communities Society
(continued)

Those charged with governance are responsible for overseeing the Society's financial reporting process.

Auditor's Responsibilities for the Audit of Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Society's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Society's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Society to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

THE FEDERATION OF CALGARY COMMUNITIES SOCIETY

Notes to Financial Statements

Year Ended December 31, 2018

1. Purpose of organization

The Federation of Calgary Communities Society (the "Federation") is a not-for-profit organization incorporated under the Societies Act of the Province of Alberta on August 10, 1961. The Federation assists communities in planning and administration of their organization for the betterment of the community. Under section 149(1) of the Income Tax Act, the Federation has determined that they are not subject to the payment of income tax.

2. Summary of significant accounting policies

Basis of presentation

These financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations in Part III of the *CPA Canada Handbook*, and in management's opinion, have been properly prepared within reasonable limits of materiality and within the framework of the significant accounting policies summarized below:

Revenue recognition

The Federation follows the deferral method of accounting for externally restricted contributions. Restricted contributions are recognized as revenue in the year in which the related expenses are incurred.

Unrestricted contributions and donations are recognized as revenue when received or receivable, if the amount to be received can be reasonably estimated and collection is reasonably assured.

Membership revenue is recognized in the year to which the membership applies.

Revenue from Fundraising events is recognized in the period when the event occurs.

Services and fees are invoiced when the services are rendered and are recorded on an accrual basis in the period to which they relate.

Cash and cash equivalents

Cash includes cash on hand and in banks. Cash equivalents are short term, highly liquid investments that are readily convertible to known amounts of cash, with original maturities of three months or less and that are subject to an insignificant risk of change in value. The Society currently holds no cash equivalents.

Contributed services

Volunteers contribute many hours per year to assist the Federation in carrying out its services and programs. Because of the difficulty of determining their fair value, contributed services are not recognized in the financial statements.

2. Summary of significant accounting policies (continued)

Property and equipment

Property and equipment is stated at cost or deemed cost less accumulated amortization. Property and equipment is amortized over its estimated useful life at the following rates and methods:

Computer equipment	3 years	straight-line method
Office equipment	7 years	straight-line method
Leasehold improvements	7 years	straight-line method

The Society regularly reviews its property and equipment to eliminate obsolete items. Government grants for the acquisition of equipment are recorded as deferred contributions related to property and equipment.

Property and equipment acquired during the year but not placed into use are not amortized until they are placed into use.

Financial instruments

The Federation initially measures its financial assets and financial liabilities at fair value. It subsequently measures all of its financial assets and financial liabilities at amortized cost, except for investments in equity instruments and mutual funds that are quoted in an active market, which are measured at fair value. Changes in fair value are recognized as unrealized gains or losses in the statement of operations.

The Society currently holds no financial assets measured at fair value.

Use of estimates

The preparation of financial statements in conformity with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accounts receivable and work in process are stated after evaluation as to their collectability and an appropriate allowance for doubtful amounts is provided where considered necessary. Amortization is based on the estimated useful lives of property and equipment. These estimates are reviewed periodically and, as adjustments become necessary, they are reported in earnings in the period in which they become known.

3. Restricted cash

4. Work in progress

Work in progress represents the billing value of services provided to the members up to December 31, 2018. These services are completed and billed subsequent to that date. Audit retainers represent payments made in advance by members for audit services to be provided.

5. Property and equipment

	\$ 229,146	\$ 89,680	\$ 139,466	\$ 132,649

6. Funds held in trust

The Federation is acting as an administrator for four funds: the Energizing Spaces Fund which aims to replace inefficient electric appliances. Energizing Spaces is funded by Enmax providing \$75,000 for 2018 (2017: \$75,000) to be used for appliance replacements for successful applicants. The entire balance of this fund has been committed and the Federation is awaiting supporting documentation before releasing the remaining funds of \$17,645 (2017: \$33,412) to Energizing Spaces recipients.

Walk 21 Microgrants is a one-time program to encourage community-led activities the improve connections at a local level. Through this program 150 micro grants, averaging \$750, will be awarded across Calgary to experiment with local level ideas and actions that create safer and more walkable streets.

Alberta Traffic Safety Fund ("ATSF") funded by Car Seat Techs of Alberta to provide caregivers with current child passenger safety education and assistance, and technicians with assistance in equipment, educational materials and continued education, \$25,000 in North and \$25,000 South Alberta.

12. Financial instruments

The Federation's financial instruments consist of cash and cash equivalents, accounts receivable, accounts payable and accrued liabilities, audit retainer and funds held in trust. Unless otherwise noted, it is management's opinion that the Federation is not exposed to significant interest, currency or credit risks arising from these financial instruments. There is no change in this risk assessment from prior year's.
