Re: New Mandatory Restriction Effective at Midnight Tonight

This afternoon, Dr. Deena Hinshaw announced new COVID-19 measures to help protect the health system and to limit the spread.

These are effective November 13, 2020.

Here are the ones we think will impact some of our member organizations:

- There will be a two-week ban on group fitness classes, team sport activities and group performance activities in Edmonton and surrounding areas, Calgary and surrounding areas, Grande Prairie, Lethbridge, Fort McMurray and Red Deer. This will be in place from Nov. 13-27.
- 50-person limit on wedding ceremonies and funeral services.
- All faith-based organizations should limit attendance at services to one-third of capacity.

Stay healthy and well,
