WORKSHOPS

January 2023 - June 2023

Partners in Planning - Elective Course - Local Area Plans

Local Area Plans layout a future vision for a community and they are developed through a collaborative engagement process that uses local knowledge from residents, community-based groups, business owners and other stakeholders. This workshop will provide you with an understanding of the local area plan process and how you can better prepare your community for future change.

Planning Committees Best Practices

Whether you are an established community experiencing lots of redevelopment or a small group dealing with the occasional planning application, there is always the opportunity to create or join a Community Association planning committee! Planning Committees are residents' go-to source of information for everything planning and development related. This workshop will teach you the basics of planning committees; how to get them established and work effectively with other members and planning stakeholders.
