# ENERGIZING *SPACES*

Powered by ENMAX

## Energizing Spaces powered by ENMAX is back!

**Energizing Spaces powered by ENMAX** is back! Do you want to replace inefficient appliances or bring in new ones? Do you need outdoor safety or rink lighting? Maybe you don't have a facility and want to explore the world of market lighting!

No matter what your facility needs, if it's in the realm of energy-efficiency, we're here to help with our friends at ENMAX!

This year, we have **brand new opportunities** to offer to energize your space! Not only can you replace inefficient appliances, but you can also apply to bring in brand **new appliances** to a space that previously had none! **Market lights** also offer the opportunity for organizations without facilities to energize spaces with this energy efficient plug-in option.

But there's more! **Install day** offers the unique experience to have The Federation and ENMAX come out to ONE great community building. ENMAX employees will come in early Fall to install energy efficient tools at no cost to you! This is also an educational opportunity to your residents. All you need to do is invite your members and open your doors! ENMAX and The Federation will do the rest.

ENMAX is passionate about supporting the growth of our local communities, and they want to see and hear how this grant will make a difference for your community. This round, we have an exciting workshop called **How to get funded with Energizing Spaces** on **May 11** to teach you everything you need to know about the program. Learn more about **Energizing Spaces powered by ENMAX** today and get your application in before midnight on **June 30**.

## Fill out a Survey to Help us Help you!

Communities is excited to announce the return of our **Beyond the Four Walls Conference** in Calgary! This conference will provide a platform for community associations and other non-profits to connect, learn and share knowledge. There will be informative sessions by subject matter experts and ample networking opportunities for attendees.

The goal of this survey is to gather valuable insights from you as a potential attendee on your preferences, expectations and needs for the conference. We highly value your input, and your feedback is crucial in making this conference a success. **Please take a few minutes to fill out this survey to help us tailor this experience to meet your needs!**

**AMMONIA SAFETY DAYS IN ALBERTA!**

**EDMONTON, MARCH 27**  
**LLOYDMINSTER, MARCH 28**  
**LETHBRIDGE, MARCH 30**  
**CALGARY, MARCH 31**

## Ammonia Safety Days Are Coming To Alberta!

For more than two decades, the Ammonia Safety & Training Institute has been an internationally recognized leader in developing emergency response protocols and training for the safe response to ammonia emergencies.

This 8-hour conference-style presentation, is designed with you, the end-user, the firefighter, and the regulator in mind. ASTI spends many hours behind the

scenes collaborating with local hosts to help find local topics that are relevant to you and your organization.

**Calgary Ammonia Safety Day is Fri, March 31, 2023, 7:30 AM – 4:00 PM.**

**Sign up now!**

**\*Note: If you manage a facility or ice rink, this might be a good fit for you!**

The Federation of Calgary Communities acknowledges Mohkínsstsisí [mohk-KIN-stiss] and the traditional Treaty 7 territory and oral practices of the Blackfoot Confederacy comprised of the Siksiká [six-ih-GAH], the Káínai [GUY-nah], and the Piikáni [bee-GAH-nee] First Nations; the Tsúút'ínà [soot-IN-uh] First Nations; and the Stoney Nakoda [nuh-KOH-duh] including the Chiniki [CHIN-ih-kee], Bearspaws [BEARS paw], and Wesley [WESS-lee] First Nations. We acknowledge that this territory is also home to the Métis Nation of Alberta Region 3 within the historical Northwest Métis homeland.

We have respect for and deep gratitude to Indigenous peoples whose traditional territories we are honoured to operate within.
