Tell us about your group or organization! Why do you want to do this project?

What is the name of your project? (optional)

What climate issues does your project address? Please check all that apply.

- |                                         |                                           |                                                 |
|-----------------------------------------|-------------------------------------------|-------------------------------------------------|
| <input type="checkbox"/> Extreme Heat   | <input type="checkbox"/> Wildfires        | <input type="checkbox"/> Flooding               |
| <input type="checkbox"/> Drought        | <input type="checkbox"/> Shifting Seasons | <input type="checkbox"/> Heavy Snowfall         |
| <input type="checkbox"/> Heave Rainfall | <input type="checkbox"/> Severe Storms    | <input type="checkbox"/> Other! Please specify! |

What category (or categories) best describes your project? Please check all that apply.

- Physical structure(s) or resource(s)
- Nature- based projects
- Workshops, events or programs
- Other Please specify!

Tell us about your project!

What climate adaptation project are you planning? How will your project support your community by building climate resilience via adaptation?

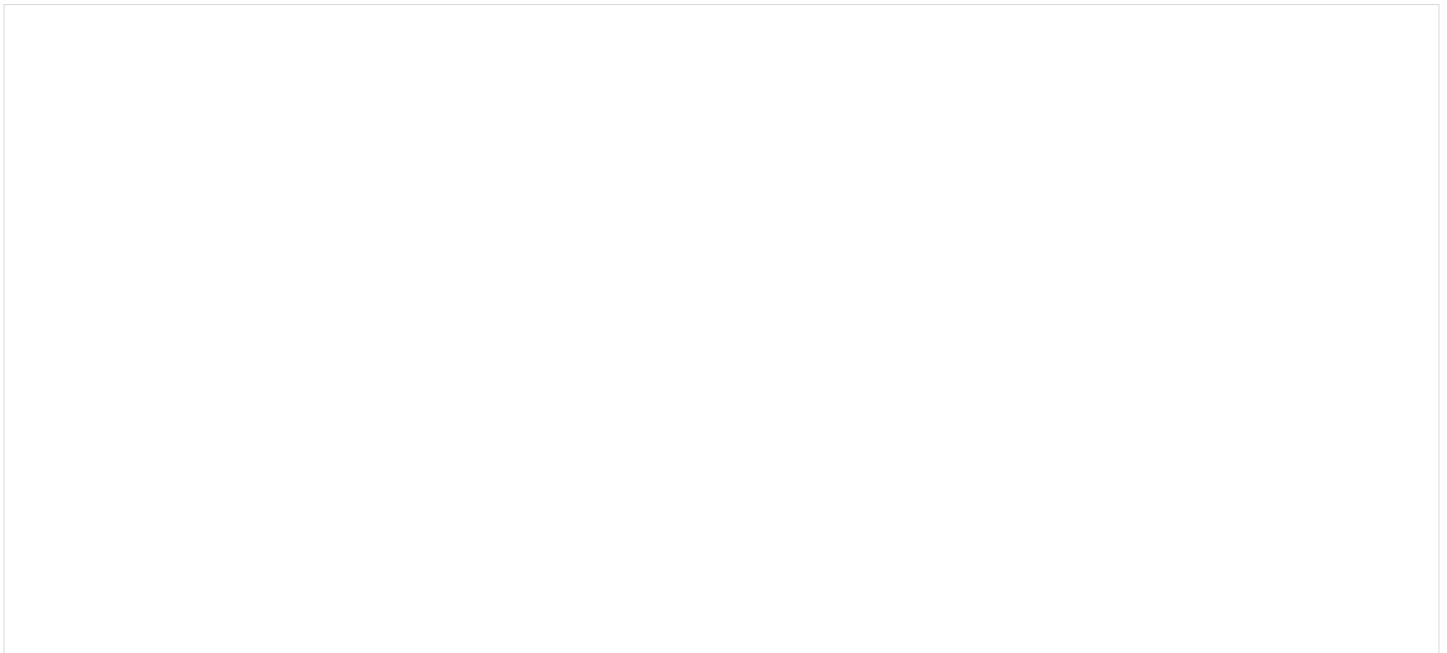

*If you wish to provide a video, please email [pooja@calgarycommunities.com](mailto:pooja@calgarycommunities.com) for an upload link.*

*Optional: Please include any drawings, photos, documents, dimensions and area in case of physical structure or inspiration related to your project with your application (attach in the email). Please attach permit documents or approvals or support letters required for the implementation of your project. Please feel free to add a page in your application email in case the description does not fit in the space provided.*

Tell us about your target audience!

Which climate vulnerable individuals or groups do you hope will benefit from this project? How will this project engage or include the community? What aspects of the project will the community engage or participate in?

What is the estimated start date of your project?

How long will it take to complete your project?

*Please note: each project is expected to be completed within six months of receiving the grant. Should your project require more time, we request written notice of the project's revised timeline. Please share a timeline or schedule if possible*

Where will your project take place? Provide an address, community, neighbourhood or area where you hope to implement your idea.

How much grant funding are you asking for?

Please fill out a copy of this budget template [here](#). If you don't have a budget yet, its okay! Please list any supplies, volunteers or resources you think you will need.

When your project is finished, how will you know it was a success? What do you hope are the short-term and long-term impacts.

How will you ensure that your project has a prolonged impact on your community? What are your plans for on-going maintenance? Ex. How will you: maintain a physical structure? Refill a resource library or water station? Or spread knowledge beyond your community?

Thank you for applying to the ClimateReadyYYC Grant!

It may take up to a month to review your application and get back to you with a decision. Unfortunately, we are not able to fund every application submitted.

We will be shortlisting ideas based on their strengths in the following qualifying and evaluation criteria:

- Focus on Climate Adaptation
- Reach wider audience
- Community Accessibility and Engagement
- Measurable Tangible Outputs
- Sustainability

Please refer to Small Grant Guidelines for additional details!

If your idea is selected, we will reach out to you for more detailed information about the budget, timeline, and logistics for your project!

If you have any questions or comments, please feel free to reach out to [pooja@calgarycommunities.com](mailto:pooja@calgarycommunities.com)
