Tell us about the accessibility of your project!

How accessible is the project that you have planned to the community or the vulnerable individuals or groups?

- If it is a physical structure, would it be open and accessible to the community or the target groups? Is it in a public space?
- If it is an event or workshop, would it be open to all or the targeted groups to participate? Would there be a fee to participate? Would it be members only?
- Would consideration for accessibility in all forms of barriers be considered (physical, language, space)?

Projects can support all community members or specific groups in the community. We want you to consider potential barriers and how they can be reduced. (Word limit: 300 words/ 2200 characters)

What is the estimated start date of your project?

How long will it take to complete your project?

Please note: each project is expected to be completed within ten months of receiving the grant. Should your project require more time, we request written notice of the project's revised timeline. Please share a timeline or schedule if possible

Where will your project take place? Provide an address, community, neighbourhood or area where you hope to implement your idea.

How much grant funding are you asking for?

Please fill out a copy of this budget template [here](#). If you don't have a budget yet, its okay! Please list any supplies, volunteers or resources you think you will need. Please be as clear as possible. We will require a detailed budget sheet if you are considered for the grant funding.

When your project is finished, how will you know it was a success? What impact do you expect? (*Examples: number of shade trees installed at community facility, HEPA filters distributed to people with health issues, 20 people attended a workshop on heat and installed a drought tolerant garden*). (Word limit: 300 words/ 2200 characters)

How will you ensure that your project has a prolonged impact on your community? What are your plans for on-going maintenance? Ex. How will you: maintain a physical structure? Refill a resource library or water station? Or spread knowledge beyond your community? (Word limit: 300 words/ 2200 characters)

Thank you for applying to the ClimateReadyYYC Grant!

It may take up to a month to review your application and get back to you with a decision. Unfortunately, we cannot fund every application submitted.

We will be shortlisting ideas based on their strengths in the following qualifying and evaluation criteria:

- Focus on Climate Action
- Community Reach and Engagement
- Accessibility
- Measurable Tangible Outputs
- Sustainability

Please refer to [Small Grant Guidelines](#) and [Grant Criteria](#) for additional details

If your idea is selected, we will reach out to you for more detailed information about the budget, timeline, and logistics for your project!
